Quick Start Help

Install

- **1.** Uncompress SuperGIS software trial downloaded from www.supergeotek.com.
- 2. Click Setup.exe and follow the installation instructions.

Register

1. After finishing the installation, please navigate to Start > Programs > SuperGeo > License Verifier.

Note: You must connect your PC to the Internet so that License Verifier can retrieve the valid license through the Internet.

2. After opening the SuperGeo License Verifier, choose the product you want to register and click Single License next to the product list.

Note: For SuperPad, you will have two serial numbers. If you want to get the license for desktop version, please choose "SuperPad for Windows Desktop"; on the contrary, you can choose "SuperPad for Windows mobile" to get the license for mobile version.
